The image features a central blue letter 'B' positioned between two vertical lines. The left vertical line is red, and the right vertical line is orange. Above the 'B', a thin black curved line starts near the left red line, dips slightly, and then rises towards the right orange line. Below the 'B', another thin black curved line starts near the left red line, rises to a peak, and then descends towards the right orange line.

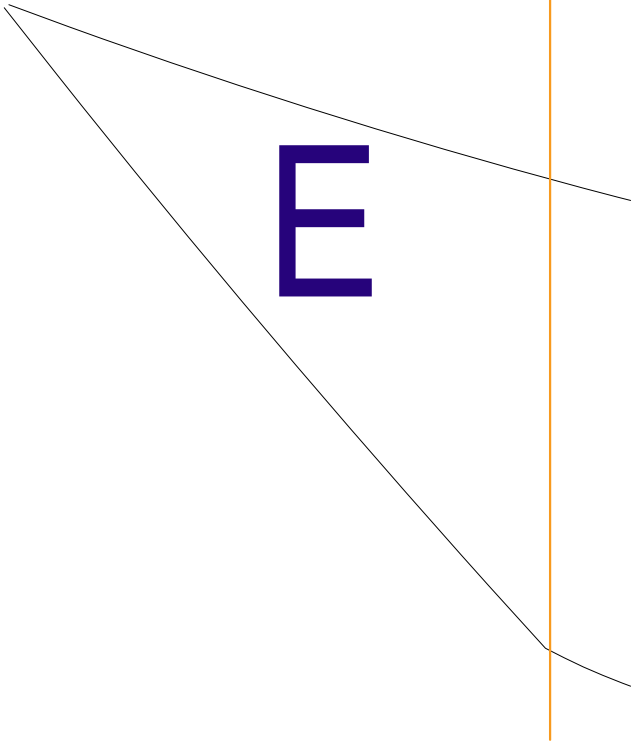

B

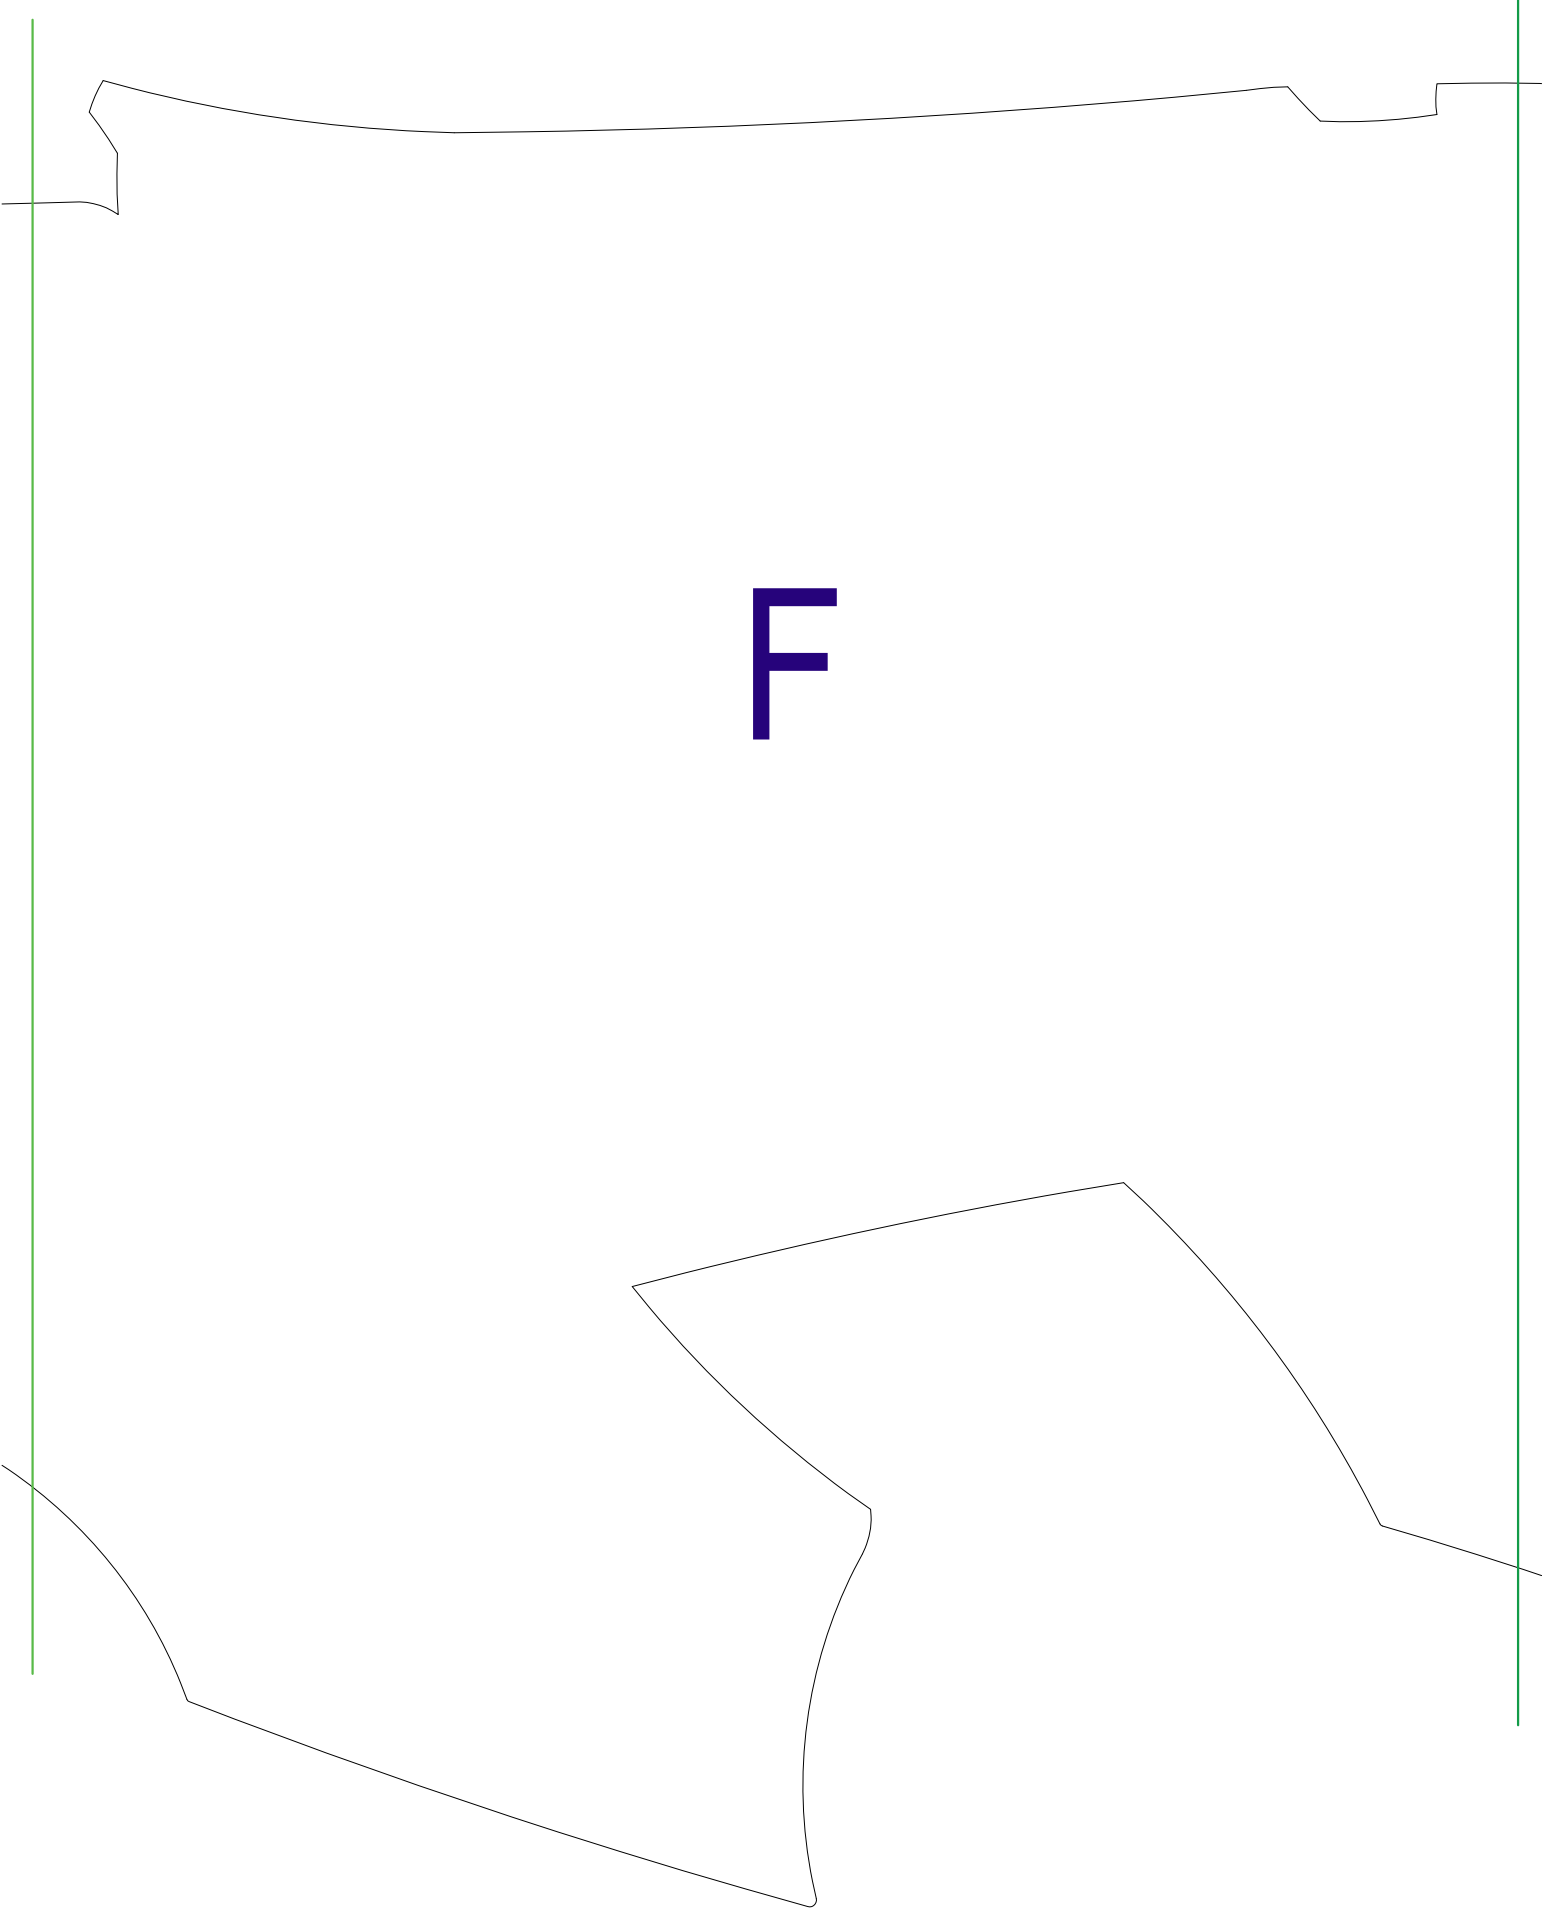

C

A diagram on a white background. A purple letter 'D' is centered in the upper half. A thin black line curves from the top left towards the right, ending in a small hook-like shape. A vertical green line is on the right side. A vertical orange line is on the left side. A diagonal orange line crosses the bottom left. A curved black line is at the bottom, and another curved black line is on the left side.
